

## Fall 2019 Newsletter

Fall 2019

@SoCoConsultHVAC

### *Schedule Your Heating Service Now*

Cooler weather is slowly coming our way and we are now scheduling heating preventative maintenance services.

Contact Us to schedule yours for a day that's convenient for you.

### *Duct Leakage- The Hidden Energy Thief*

Your ducts are an important part of your HVAC system. But if they are poorly designed and installed or leak air, they can cause huge problems including higher energy bills and poor health. [Learn more here.](#)

### *The Real Facts About the R22 "Freon" Phase-out in 2020*

The long announced R22 phase-out has arrived. This impacts most homeowners, especially those with older HVAC systems over 8 years old. Get educated, know if you are affected and don't fall for the myths. [Full article here.](#)
